LITTLE LEAGUE
PLAYER DEVELOPMENT PROGRAM**

Little League Player Development Program:

The RHBL Rep Program is running a nine (9) week 'SPRING TRAINING' development program for players eligible to participate in the upcoming RHBL Little League club competition and 2015 Little League Tournaments.

The aim of the Little League - Player Development Program (PDP) is to help train, develop and prepare players for the new upcoming RHBL Little League Competition, Little League NSW State and National Championships in 2015. The high performance training and spring tournament competitions are designed to help you to develop further as a Little League baseball player.

Although we only have limited available spaces on the program, we strongly encourage all Little League eligible club players to come to the 'Grading Day' – Thurs 4th September, at ELS Hall Park.

Not only will you get the chance to tryout for a spot on the Little League PDP, but it's also a great opportunity to have your individual playing skills assessed and graded by our Rep coaching team. Your player 'grade' may help get you into a club team or division that matches your skill level.

Little League players that participate in the RHBL Little League Majors competition and PDP, are eligible for selection into the Ryde North & Ryde South – ALL STAR teams. A unique opportunity to represent your Association at the NSW State and possibly the Australian National championships. The National champs will go on to represent Australia at the Little League World Series in Williamsport (USA).
